## 2015 Featured Artist

### Eileen Early

See her at Vision Center  
500 Public Ave.

"Some days, everything I see makes me want to paint," says Eileen Early, Featured Artist for the 13th Annual Downtown Beloit ArtWalk. Eileen finds her inspiration in nature, especially during long hikes on Wisconsin's Ice Age Trail and climbing in the Wasatch mountains of Utah. "I love the wild and hidden places," she says. "In the quiet, in the moraines and on the peaks, I can feel the spirit of the natural world, and I want to share it with others." Working in watercolors, pen and ink, and photography, Eileen creates luminous impressions of water, clouds, trees, and stars. Eileen, who majored in fine arts at UW-Milwaukee, has also worked as a writer, nurse, medical researcher, and singer.
