Featured Artist for 2014

SamHain Press Fine Art & Illustration

See her at BMO Harris

500 E. Grand Ave.

Samantha Haney Press has always known she was different from other girls. The urges began to strike her at a young, tender age, and caused tension betwixt her and her peers, when her parents finally consulted a “How to Talk to Your Child About Art” pamphlet and they had the Talk. Finally freed from the binding constrictions of Midwestern banality, Sam was able to indulge her creative tendencies, and she pursued a professional creative career with zeal.
