

'Angel Museum event a success'

Posted: Wednesday, October 14, 2015 4:00 pm

The Angel Museum held their first Angels Over the Rock fundraiser on Saturday, September 12, 2015 on the bank of the Rock River overlooking the museum gardens. The angel shaped balloons carried heartfelt messages of love and remembrance as they drifted skyward toward heaven.

The Angel Museum wishes to thank Welders Supply for their generous donation of helium for the event, Beloit Health Systems and Daley-Murphy-Wisch & Associates Funeral Home and Crematorium for their sponsorships and Culvers of Beloit for their donation of delicious frozen custard. A special thank you to Sue Melton for her creation of the beautiful artwork for our advertisements, Shauna El-Amin for videotaping the event and all of her help and support prior to and during the event, Sharon Kopp for creating the banner and signs, Deb Brigham for her expertise in inflating the biodegradable balloons, Mary Porter, Julie Grassl and Joyce Berg for handwriting all of the messages on the balloons, and Bev Melton for her donation of water and soda for the event.

We would also like to express our gratitude to all of our faithful and tireless volunteers for all they do on a regular basis. We could not operate without them. And, of course, we want to say thank you to the community for their support of the museum through purchases of the balloons, donations and memberships in the museum. The event was a great success.
